蜜桃修護水

EP-SC-G-0085A_V1

Description: It is a peach treatment essence to refine intimate areas. We choose **ALPAFLOR® GIGAWHITE CB**, **ALPAFLOR® SCUTELLARIA CB** and **Vitamin B12 cryst Food Grade** to create Pantone 2024 color of the year – peach. They help whitening, soothing and anti-inflammatory separately. **SHAROSURF S3** could soften skin and provide hydration. Finally adding **Sharon Biomix Free C T**, a natural preservative, provides excellent formula protection. This formula also applies to the baby's inflammatory care, e.g. diaper rash treatment.
